- Trophies will be presented following the BBQ Awards (5:00 p.m.) at Daytime Stage. Must be present to win.
- No alcoholic beverages allowed.
- No vehicles will be moved once parked on show lot until end of show at 4:30 p.m. This is for safety reasons, with crowds/children present at the show.

Embracing the “family fun” philosophy of the Battle of the Pigs BBQ Competition we decided this year’s Car Show will be an Open show with no classes! Twenty-Five trophies will be awarded including: Best of Show (People’s Choice), Rotary Choice, BBQ Choice, Kids’ Choice, and Club Participation. A ballot will be presented to each person upon entrance to the event and ballot boxes will be located throughout the car show area to vote for Best of Show. The awards ceremony will be held at the Daytime Stage for all in attendance to see. In addition, the registration fee covers your ticket cost which allows you to enjoy all the activities that the Battle of the Pigs has to offer.

We have a record number of BBQ competitors scheduled this year and we are adding a People’s Choice competition where **YOU** can sample and vote for your favorite BBQ. The daytime entertainment will be relocated closer to all the other activities (including car show) and our Friday and Saturday night main events will include the Frontiers, the nation’s only full time touring tribute to 80’s mega-group Journey and Grammy Award-nominated American country music artist Joe Nichols. In addition to the entertainment we will have a Kid Zone with inflatable’s and other games. We also plan on expanding our food vendor and crafters area.

So call your friends and family and make plans to join us at the 2nd Annual Battle of the Pigs BBQ & Car Show for a weekend of fun, food, family, and friends! We hope to see you there!
